AMERICAN HISTORY RESOURCES		
American Memory - Free and open access through the Internet to written and spoken words, sound recordings, still and moving images, prints, maps, and sheet music that document the American experience. It is a digital record of American history and creativity.	---	http://memory.loc.gov/ammem/index.html
American Treasures of the Library of Congress - Permanent exhibition of the rarest, most interesting or significant items from every corner of the world's largest library	---	www.loc.gov/exhibits/treasures/
Archiving Early America - A wealth of resources and a unique array of primary source material from 18th Century America. Scenes and portraits from original newspapers, maps, and writings come to life on the computer screen just as they appeared to this country's forebears more than two centuries ago.	---	www.earlyamerica.com
Digital History - Contains more than 600 annotated documents written by Washington, Franklin, Jefferson, and many others dealing with American politics, diplomacy, and social history	---	www.digitalhistory.uh.edu/documents/documents_p1.cfm
Eyewitness to History - Using personal narratives, photographs, and other first-hand sources, this site chronicles eras, events, and experiences of the ancient world, middle ages, American Civil War, the old West, World War I, World War II, and the 17th through 20th centuries.	---	www.eyewitnesstohistory.com
