

Recess at Linn School

*An original oil painting by Art Beery
Limited edition prints available for purchase*

Upon learning of the restoration of Linn School funded by Oliver and Merle Hamilton, Art Beery, a Linn School alumnus, created this delightful oil painting and presented it to The Marion County Historical Society. The limited edition print is printed in full color on heavy archival paper, suitable for framing. The print is an ideal gift for anyone who has attended a one room school or has an interest in Marion County history. Funds realized from print sales will support MCHS operations. Prints may be purchased at the Heritage Hall Shop or ordered for mail delivery.
